

R. PARSONS
CONSTRUCTION LTD.

*building your home
as if it were our own*

FALL TIPS

- Clean chimneys on wood burning fireplaces.
- Clean furnace filter if it wasn't done in the Spring.
- Check smoke alarms and carbon monoxide detectors.
- Add fuel stabilizer to lawnmowers, chainsaws, etc.
- Turn off hose bib shutoffs.
- Clean gutters, this may have to be done a few times over Winter.
- Check dryer vent for lint build up.
- Check bulbs in exterior light fixtures.
- Put patio furniture away for the Winter.
- Empty and clean the filter on your built in vacuum.
- Service gas appliances and turn on pilot light.
- Service heat pump and furnace.
- Check heating oil tank and fill if necessary.
- Clean out sumps and ensure sump pumps are working.
- Clean and check storm water backflow preventers.

Please call with any questions. We have some excellent sub trades that can help you if you need it.
